

ATLANTIC CAPITAL MARKETS

Share Dealing Risk Warning.

Trading in equities may not be suitable for all investors. The value of investments may fall, and you may get back less than you invested. An investment's past performance is not a guarantee of future performance. Investments in pre-IPO's and IPO's involve a high degree of risk and are not suitable for all investors. Small Cap companies can be volatile are considered high risk investments. Capital invested is at risk.

Tax allowances depend on your personal circumstances. Before you trade you should obtain details of all commissions and charges. You should make sure you can afford any potential losses before you trade. Make sure you fully understand the risk involved and if you are in any doubt seek independent professional financial advice.
